

BELZONA PROVIDES SAFE FOOTING FOR VISUALLY IMPAIRED

ID: 1645

PROBLEM

For safety they required all step edges to be highlighted and coated with a positive grip system.

APPLICATION SITUATION

The college had students with some physical disabilities which included sight impairment.

APPLICATION METHOD

The application was carried out in accordance with the Belzona Know-How System Leaflet FPA-8.

BELZONA FACTS

On completion of the work, the client was extremely pleased with the result; Belzona® had not only provided a high performance, long life and highly visual positive grip system but also succeeded in “brightening up” the art colleges external walkway areas.
