

BELZONA PROTECTS GENERATOR ROOM FLOOR

ID: 2157

PROBLEM

The floor needed to be sealed and protected against fluid spills

APPLICATION SITUATION

Generator room floor

APPLICATION METHOD

Application carried out according to Belzona Know-How System Leaflet TCC-15.

BELZONA FACTS

The Belzona® 5811 coating provides excellent resistance to a broad range of chemicals including the oils liable to be spilt from the generator. The solvent free Belzona® 5811 was ideally suited to application in the confines of the room without interfering with other building occupants in close proximity.
